Clothing Expectations & Requirements

Bring leisure attire for class and evening services—jeans/long shorts and t-shirts or, something similar for play. Do not bring clothing that is more than two inches above the knees. Nothing too tight or bare in the mid-section is appropriate, although, see-through shirts can be worn with a t-shirt underneath. You will be asked and expected to change if clothing is immodest. This will be strictly enforced for older young people. These are basic requirements for dress. If you are unsure about a certain item of clothing, feel free to contact the director of the week you or your child is planning to attend. It is better to ask than to have your child be at camp with very few clothes that are permitted for wear.

Check-In for each week of camp will begin at 2:00 PM on the first day of camp.

Check-Out will be no later than 10:00 AM on the final day of camp.

ALL-AGE WEEK:

This will be the second year for an all-age week at SVYC. All-Age week will take place during the first week of camp. We will have more activities geared toward the young and old. We hope to use this week of camp to help the campers learn the importance of helping out one another. We will still have the same type of activities as are found in other weeks of camp but it will be a mixture of senior week and junior week. We hope this week will assist those who are unable to attend Senior Week or one of the Junior Weeks. If you have any questions, contact Scott Pauley @ (304) 756-3576 or email, wvdj105@aol.com.

The camp exists to teach the Bible and promote Christian living. All must conduct themselves accordingly. •Camp directors have the responsibility to maintain camp discipline. •Campers and junior counselors are not to leave the campground without permission from the director. •There is to be no deliberate destruction of camp property or the property of others at camp. •Theft will not be tolerated. •There is to be no alcohol or tobacco of any kind. Daily attention will be given to personal appearances and cleanliness. Both boys and girls are expected to dress modestly. •Shoes MUST be worn at all times. •There is to be no profanity or vulgar language. •Please do not write on walls or bunks, nor place your gum on them or items in the dining room. • Cell phones, music devices, games and other electronic devices will not be permitted during anytime other than free-time (on a limited basis).

Cell Phones, Game systems and music players will only be permitted during certain times. Music or games that are considered—by camp staff—to be offensive, vulgar, or un-Christian like, will not be allowed.

A Special Message for Parents Be sure that unlawful drugs are not brought to camp; also be sure that prescriptions and other medications are properly protected from misuse. All prescription drugs must be turned over to our nurse and kept locked in the camp dispensary. Another matter of concern – We need to know of any allergies of the camper. These allergies need to be identified along with other registration information.

Visitors: We enjoy having folks visit from time to time while camp is in session. Some folks are only able to make day or evening visits. This is welcomed. However, due to the high cost of operating camp, we ask that visitors pay \$10 a day or \$5 per meal. We know you'll understand and we thank you for visiting with us.

Junior Counselors: ALL of those who wish to serve as a Junior Counselor at SVYC MUST complete an application and send it to the director of the week in which they have applied for. The application can be downloaded from our website under the JC icon.

CAMPERS!!!

If you attend TWO weeks of camp you will get a third week at HALF PRICE!!!!

Registration Instructions: Please send your completed registration form along with your pre-registration fee to the director for the week(s) of camp you plan to attend. Director's Information can be found to the right.
